Do you wish to prebook ski lockers, if so how many do you require? One locker takes 3 peoples equipment.

Three Valleys = 600km piste, 175 lifts, 44 green runs, 129 blue runs, 108 red runs, 30 black runs. Meribel Valley = 150km piste, 50 lifts, 9 green runs, 34 blue runs, 23 red runs, 7 black runs. You can purchase a MV pass with an option to extend to a 3V. MV to 3V extension = 23€ daily. If you extend more than once it is more cost effective to take a 3V pass from the outset. I will have your passes ready in your chalet on your arrival. Please settle up with me then, cash, credit/debit card or travellers cheques all accepted.
