

Driving Directions to our Ski Blanc chalets.

From Moutiers follow signs to Meribel. You start to climb up the mountain and after about 10 mins the road forks and you take the right fork to Meribel. Continue for about another 10 mins and around 6 hairpin bends. After the last bend you will be approaching Les Allues.

Chalets Foehn, Covie, Charmille, L'Erine & Les Sauges

As you approach Les Allues you will pass the Church set back on your right, behind the car park. Continue on the main road, & you will come to a junction & a right turn to the centre of Les Allues & La Villard. Ignore this and continue straight for less than 100m & take the next left towards the Telecabine Olympe. **For Covie, Charmille and Les Sauges** take the immediate right turn (Route de Hauteville, **previously** Route de Villaret on map) and they are the first and second chalets along respectively, and Chalet Les Sauges is a little further along, first on right.

For **Chalet Foehn and L'Erine**, follow the direction to the telecabine, Foehn is first on your right and L'Erine is 2nd on your right.

For La Vieille Scierie

As you approach Les Allues you will pass the Church set back on your right, behind the car park. Continue on the main road, & you will come to a junction & a right turn to the centre of Les Allues & La Villard. Take this turning and very quickly you will see La Vieille Scierie. The entrance is between the ski hire shop and mini-market. **Go in through the double doors and upstairs. It is the 1st door immediately on your right at the top of the stairs.**
